

Kid's Korner

JANUARY NEWSLETTER

Program Information

- Starting Tuesday, January 4th, we will no longer be doing temperature checks in the morning at the door.
- Masks are still required at the Kid's Korner program.
- Make sure your child has a water bottle with them daily.
- Please remember to have your child wear their boots in and change into their sneakers once they are inside. This will help prevent the destruction of the gym floor. We may be trying to get outside during the new year so please make sure that kids come prepared with their winter gear.
