

**Town of Hampden
Participation Waiver**

I, _____ (print name of participant, or parent/guardian if the participant is a minor), for myself or as the parent or legal guardian of the participating child indicated below (the “Child”), hereby acknowledge that participation in this activity may involve risk of injury or death. Furthermore, I understand that participating may involve contact with other participants and staff, and exposure to COVID-19 is possible. I am aware of these hazards and I, for myself and/or my Child, voluntarily assume the risks associated with participation.

In registering for participation in Town of Hampden program(s) and in consideration for being allowed to participate, I, for myself and/or my Child, hereby waive and release all rights and claims against the Town of Hampden, its officers, employees, agents, volunteers and supervisors from all losses, injury, illness, damages, fees and other expenses arising out of, or in connection with participation in the registered activity or drop in program.

In addition, I give my consent for the Hampden Recreation Department Staff to act in my place in all respects should the need arise during the course of this activity or related travel. This shall include but not be limited to obtaining medical care.

This waiver is valid through December 31, 2021, although may be revoked in writing at any time. This will be completed upon the first visit to the Hampden Recreation Department/Skehan Recreation Center and will be placed in a file to limit face to face contact and high touch surface contact at program check in during the COVID-19 pandemic.
